

**Subject : Mount Aviation Services Profile**

**Dear Sir,**

**Mount Aviation Services** had been founded on the Year 2009 with an office located at the city center of Khartoum – Sudan. Now it is one of the remarkable aviation service companies in the area. This company started with 2 employees, now has 40 employees running its activities.

Our customer services cover **Africa, Middle East & Asia**. The company provides handling services and has fixed operation base, at **Khartoum-Sudan**.

With a heritage of 3 years we have more experience than any other providers in the aviation business regional wise. The expectations of our customers about the services we delivered are continually exceeded thanks to our team members for the uncompromising standards, quality, safety and ultimate professionalism. We built relationships that foster dedication to our customer's services and we value and support our staff members who delivered these services.

Handling is the comprehensive ground services **Mount Aviation** provides to its passengers, flight deck crew and aircrafts from arrival to departure.

In addition to the care extended to our clients, our handling service system also provides complete assistance of providing over flight and landing clearances, flight plans, catering, aircraft fueling, care for passengers and flight crews, arrangements of Visa issuance, hotel reservation and ground transportation all services are handled with the unconditional professionalism of **Mount Aviation** Team Members.

Our over flight & landing clearance services can reach the following countries at the following regions:-

**Africa :-**

Sudan – Egypt – Libya – Algiers – Ethiopia – Eritrea – Somalia – Djibouti – Tchad – Nigeria – Niger – Mali – Senegal – Burkina Faso – Mauritania – Gabon – Central Africa – Uganda – Tanzania – Malawi – Cameroon – Congo Brazzaville – Zaire – Angola – South Africa – Mozambique – Botswana – Zimbabwe and Seychelles.

**Asia :-**

Saudi Arabia – Yemen – Oman – UAE – Bahrain – Iran – Jordan – Syria – Lebanon – Pakistan – India – Bangladesh – Srilanka – Indonesia – Uzbekistan – Kazakhstan – Kyrgyzstan and Australia.

**Mount Aviation** country **fixed operation base** at **Khartoum- Sudan** is one of the best (**FBO**) structures within the area. The company offers private aircraft handling, executive VIP terminals, full handling services including domestic and international flights, passengers and crew transportation, catering, hotel accommodation, immigration and customs services. Also provide customers with weather and flight planning services, Notam briefings as well as computerized flight plans.

We are especially proud of our human team. All our staff speaks fluent English beside the Arabic language and some of them speak French. The Most important part of **Mount Aviation staff members** is that they have an experience from five to fifteen years within the aviation field. This enables us to be aware of the Particular taste and preferences of our clients, and thus offer a more personalized and detailed services.

We deal with a great number of companies , & have many activities you can review them in our attached presentation.
